Commissioner for Patents

The reply filed on 10/1/04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant did not elect between the species of the relationship between the ball screw nut and the rotor, and did not indicate which claims read on this species. This requirement was made in paragraph 2 of the previous office action. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
